Job Announcement
Extension Forester
College of Forestry
Location - Clatsop, Tillamook, and Lincoln Counties

This Extension Forester position is full-time (1.00 FTE) with a 12-month, fixed-term appointment at the faculty rank of Assistant Professor of Practice in the College of Forestry, with departmental home in Forest Engineering, Resources, & Management. This position will serve Clatsop, Tillamook, and Lincoln counties in the Coastal Region of the Oregon Extension Service. This individual will be located in the Clatsop County Extension Office in Astoria, Oregon. Reappointment is at the discretion of the Forestry & Natural Resources Program Leader and the Coastal Oregon Regional Administrator.

This position is responsible for planning, developing, delivering, and evaluating Forestry and Natural Resources related educational programs for a variety of audiences in the service area. Providing educational services to other regions of the state will also be encouraged in the incumbent’s area of expertise. Typical audiences include woodland owners and homeowners in the wildland-urban interface, professional natural resource managers such as foresters and forest workers, collaborative conservation groups and watershed councils, policymakers, forest products firms, tribes, youth, and economic development officials. Focus areas include forest health, private forest land management, reforestation, invasive species, wildfire, biomass and bioenergy, water resources, forest productivity, forest restoration, and collaborative conservation.

This position will also supervise a 0.50 FTE Forestry Education Program Assistant who will be located in the Lincoln County Extension office in Newport, Oregon.

Oregon State University is committed to practicing and delivery of tools for state-of-the-science integrated pest management. Incumbent will be responsible for working in tandem with the Integrated Plant Protection Center to meet this responsibility.

Active and effective communication with staff and key stakeholders is critical to the success of this position and access to wireless services is necessary. The position will require travel.

The faculty member will design, develop, maintain and/or carry out Extension programs to insure that all people have equal employment opportunities and equal program participation opportunities regardless of their race, color, religion, sex, sexual orientation, gender identity or expression, genetic information, national origin, age, marital status, disability, or veteran’s status.

OSU is an AA/EOE/Vets/Disabled.
